

CATTLE HILL

Wind Farm

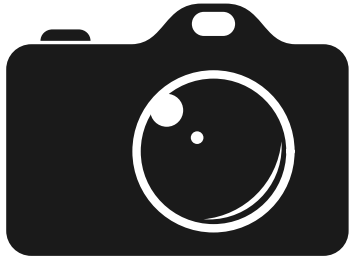

PHOTO COMPETITION! SEND US YOUR BEST BLADE PIC!

SNAP A PHOTO OF A 68.7 METRE GOLDWIND WIND TURBINE BLADE TRAVELLING THROUGH TASMANIA!

Capture a photo of a blade travelling between the Port of Bell Bay and the Cattle Hill Wind Farm project site, email it to us before 31st March with your contact details and you'll be in the running to win some great prizes!

First Goldwind blade travelling to site on 1st March 2019

The blades will travel from the Port of Bell Bay through Launceston, Campbell Town, Melton Mowbray and Bothwell to the project site via Bell Bay Road, the East Tamar Highway, the Midland Highway, Highlands Lakes Road, Waddamana Road and Bashan Road. See the project website for the indicative delivery schedule.
